King Wan Corporation announced it has secured five new mechanical and electrical (M&E) projects in Singapore during the period from May 2014 to July 2014, worth a total of \$25.5 million. The five new projects are as follow:

- Plumbing, sanitary and gas system installation for a Civic Community Building with sports and recreation developments atop a 2-level basement located at Tampines;
- Plumbing and sanitary installation for the Crown Plaza Hotel Extension located at Airport Boulevard;
- Plumbing, sanitary and gas system installation for The Venue located at Tai Thong Crescent (a mixed development comprising of 28 commercial units and 266 residential units atop a 3-level basement carpark);
- Plumbing and sanitary installation for Sembawang N1C10 (1,200-unit HDB project with multi-storey car park, precinct pavilions and community facilities);
- Plumbing and sanitary installation project for the Selarang Camp;

These projects will commence in the second half of 2014 and are scheduled to be completed by 2017. King Wan's current order book stands at \$178 million and will last the group till the year 2017.
